Project Milestones Status Review (Project Task/Milestones should be as per project Phase-1(PP-1 Sem-7)/ Project Phase-2(PP-2 Sem-8))					
Sr. No.	Project Task/ Milestone	Status	Baseline Completion Date	Expected Completion Date	Issues Exists (Yes/ No)
1	Research	Completed	15-10-2021	5-11-2021	No
2	Method Selection	Completed	10-11-2021	30-11-2021	No
3	Project Planning	Completed	10-2-2022	25-2-2022	No
Project Issues Summary					
Sr. No.	Priority [High/Medium/Low]	Description of Issue	Impact on Milestones	Action Steps	
1	High	Access to IEEE research papers	Halted the project	Looked for different alternative sites	
2	Medium	Searching for suitable algorithm/technology for implementation	Slowed the progress	Researched different algorithms
